>> smart accessories 2006.  
All models.

After many years of faithful service, you can return your smart to us for environmentally friendly disposal in accordance with the EU Directive on End-Of-Life-Vehicles\*. But that day lies a long way off.

\*Applies in accordance with the respective national statutory provisions. smart has fulfilled legal requirements for recyclable design for some years now. A network of collection points and disassembly workshops is available to receive end-of-life vehicles, where your vehicle can be recycled in an environmentally-friendly manner. At the same time, the possibilities for recycling vehicles and vehicle parts are continually being developed and improved, which means that smart will also continue to fulfil increased statutory recycling quotas in the future. Further information can be obtained by calling 00800 1 777 7777.

Regarding the information in this brochure: Changes to the product may have arisen after going to press on 1 September 2005. The manufacturer reserves the right to effect structural or design modifications, colour changes and changes to the scope of delivery, insofar as such changes or modifications are reasonable for the buyer in due consideration of the seller's interests. Should the seller or the manufacturer employ codes or numbers as an order reference for specific objects, this alone shall not constitute a valid basis for the derivation of any rights. The photographs may include accessories or options which do not belong to the standard scope of delivery. Any colour variations result from the printing process. This publication may also contain variants and services which are not available in individual countries. This catalogue is distributed internationally. Information on statutory, legal and fiscal provisions and their consequences apply only to the Federal Republic of Germany at the time of going to press for this catalogue, however. Functions & telematics

■ **01. 3-spoke leather sports steering wheel with steering wheel gearshift:** Change gear Formula 1 style with two paddles on the steering wheel. And you can revert to softip gearshift mode whenever you wish. ■ **02. Rev counter & cockpit clock:** A must for the smart cockpit. Both instruments can be rotated for good visibility from any direction. ■ **03. Cruise control:** Give your right foot a rest. ■ **04. Universal hands-free system:** Allows you to make phone calls at the wheel without breaking the law. When a call comes in, the audio system is interrupted and reactivated automatically at the end of your conversation. ■ **05. Bluetooth adapter:** For wireless

freedom. An end to tiresome plugging and unplugging of your mobile phone or forgetting it in the cradle. Simple operation, suitable for all bluetooth-compatible mobile phones.<sup>1)</sup> ■ **06. smart CD changer:** Neatly tucked away under the passenger seat. Can be operated via the radio, and features random track selection and scan search. ■ **07. smart radio one:** A powerful 2 x 21 watt, protected against theft by means of a numeric code, with an optional terminal for a hands-free system. ■ **08. smart radio three:** 2 x 21 watt, full logic cassette player with auto-reverse and Dolby B, protected against theft by

means of a numeric code, loudspeakers, a flexible aerial and an optional terminal for a hands-free system. Doesn't sound bad, does it now? ■ **09. smart radio five:** FM radio with RDS and a CD player. The 6-disc CD changer, available as an option, can even be operated when a CD is inserted. Offers high power output, and the acoustics and design are perfectly matched to your car. Optional terminals for the sound system, the CD changer and hands-free system. ■ **10. smart radio navigator:** At last the route is all mapped out. Just insert the navigation CD, enter your destination together with the address, and

follow the instructions shown on the display and the voice that tells you where to go. Includes RDS tuner, CD player and Europewide GPS routing. Any questions? ■ **11. smart sound system:** You won't believe your ears: Even better sound with 2 extra 20-watt tweeters. ■ **12. Stationary heater:** Send your ice scraper to Siberia. Before you get into your car, the stationary heater warms up the interior and engine via remote control or timer. ■ **13. iPod car kit:** With thousands of songs in its repertoire. Simply connect via plug&play. The volume and sound can be controlled conveniently via the smart audio system.

1) Exclusion: iPod car kit.

■ **01. Rear bag:** A handy holder for all your odds and ends. A storage facility consisting of a centrally positioned box with a hinged lid, and two side compartments for additional stowage space. Easy to fit. ■ **02. Travel case trolley:** Staying on top: Easy to attach to the rear luggage rack of the smart roadster, but extremely difficult for thieves to remove, since it is secured to the rear of the vehicle with spiral wire and an all-weather lock; includes two belts. Has a handle on the outside and numerous compartments on the inside. Shapely, rigid and water-

repellent. Also suitable for other smart models. ■ **03. Luggage compartment cover:** For the smart roadster-coupé. Provides protection against the sun and prying eyes. Easy to fit. ■ **04. Rear luggage rack:** The original. A place in the sun for luggage weighing up to 23 kg. It is rust-proof, measures 900 mm x 420 mm, and is affixed to the tailgate at 4 individual points. Comes with its own stop lamp. ■ **05. 2-piece matt hardtop:** You can't get much more stylish or convenient than this. Hardtop can

be easily stowed away in the rear luggage compartment, and is just as simple to fit. ■ **06. Hardtop bag:** Stores the hardtop roof halves, ensuring that they remain clean and safe – and also fits inside the vehicle (if no soft top mechanism is fitted). Foam-padded with a practical U-shaped zipper, three handles and a shoulder strap for ease of carrying. ■ **07. Cape car cover:** A protective cover for all smart roadsters and smart roadster-coupés that don't have their own garage. Water-repellent, breathable.

Functions & telematics

■ **01. 3-spoke leather sports steering wheel with steering wheel gearshift:** Take the sporty route. The two shift paddles behind the steering wheel allow you to shift up and down gears just like in Formula 1 racing cars. And you can revert to shifting in softip mode on the centre tunnel at any time. ■ **02. Dashboard instruments:** Keep up to speed with your engine with gauges for engine temperature and charge pressure. Both are free-standing and can be rotated for good visibility from any direction. ■ **03. smart CD changer:** With anti-shock memory. Installed in space-saving mode behind the driver's seat. Can be operated via the radios<sup>1)</sup>. Random track selection and

scan search function. ■ **04. Universal hands-free system:** Allows you to make telephone calls at the wheel without risking having an accident or of falling foul of the law. Your audio system will be interrupted when you receive a call and reactivated automatically at the end of your conversation. ■ **05. Bluetooth adapter:** For wireless freedom. An end to tiresome plugging and unplugging of your mobile phone or forgetting it in the cradle. Simple operation, suitable for all bluetooth-compatible mobile phones.<sup>2)</sup> ■ **06. Parking aid:** Lets you know when you're a little too close for comfort. Just clip the two sensors

onto the number plates. ■ **07. smart radio navigator:** At least the route is all mapped out. Just insert the navigation CD, enter your destination together with the address, and follow the instructions shown on the display and the voice that tells you how to get there. Includes RDS tuner, CD player and Europewide GPS routing. ■ **08. smart radio five:** FM radio with RDS and a CD player. High power output. Acoustics and design are perfectly tailored to your vehicle. Optional terminals for the sound system, CD changer and preparation for hands-free telephone equipment. The optional 6-disc CD changer can also be operated when a CD is inserted. ■ **09. smart radio one:**

A powerful 2 x 21 watt, protected from theft by means of a numeric code, with preparation for hands-free telephone equipment. ■ **10. smart sound system:** A real virtuoso performer. Even better sound with 2 extra 20-watt tweeters and full-sounding bass speakers. ■ **11. Two-sound fanfare horn:** Attracts the necessary attention in every situation. No doubt about that. ■ **12. iPod car kit:** Next generation music for next generation cars. Simply connect the iPod car kit via plug&play. The volume and sound can be conveniently controlled via the smart audio system.

1) Not compatible with the smart radio navigator.

"strokeline" alloy wheels:** Alloy wheels in a 4-spoke design. For tyres of dimensions 195/50 R 15 and 205/45 R 16 (15 and 16 inch). ■ **04. 14" snow chains:** Specially developed for the smart. Simple and quick to fit without getting

down on your hands and knees, they make little noise, and when they are not in use they can be conveniently stowed away in a waterproof transport bag (14 inch). ■ **05. Vehicle tool kit:** Helps get you back on the road quickly in the event of a puncture. Consists of a jack and nut wrench. ■ **06. First aid:** Emergency jacket, first aid kit and fire extinguisher with mounting; three trustworthy helpers in your hour of need. ■ **07. Anti-theft protection for wheels:** Designed to look like decorative nuts. A protective

screw on each alloy or steel wheel means that thieves go home empty-handed. ■ **08. Anti-theft alarm system:** Bad news for thieves. A motion detector keeps an eye on the interior, door sensors monitor the tailgate and bonnet and a tilt sensor sounds the alarm when someone attempts to tow the car away. ■ **09. Child seat:** For children weighing 9 to 18 kg. With additional head cushioning and shoulder cushioning which can be adjusted in seven different ways. Can be fitted quickly using ISOFIX<sup>®</sup> (optional item) or by means of the 3-point belt. Available in two colour options.

■ **10. Seat booster with backrest:** For children weighing between 15 and 36 kg. With removable backrest and extra-large lateral support. Available in a choice of three colours. ■ **11. Baby seat:** Nothing but the best for your little ones. The baby seat is suitable for infants weighing up to 13 kg and can be attached quickly and securely by means of the 3-point belt. Available in a choice of three colours.

1) Optional item available for an extra charge; can be fitted on either of the two outer seats on the rear seat bench.

**smartcare**  
Care series

■ **01. Interior care:** As good from inside as the outside. With leather care, special cockpit care, microfibre cloth and glass cleanser for non-streak vision. And a stain remover that lives up to its name.

■ **02. External care:** To keep you both beaming radiantly: Rim care, insect remover, shampoo concentrate, polish, hard wax and ice scraper. Soft top hood cleanser, impregnating spray and rear window polish – lavish a little tender loving care on your smart cabrio. ■ **03. Care boxes:** A wellness set for your smart. Basic care set with

hard wax, shampoo, stain remover, cockpit care, two cloths and a sponge. As well as the basic care set, a cabrio soft top hood care set is also available.

■ **04. Paint sticks:** With the 2-layer paint stick set, you can touch up small scratches yourself – either on your smart tridion or the bodypanels. And the clear paint sticks provide instant aid for minor blemishes. ■ **05. Fluids:** Twenty-twenty vision. Window cleaner concentrate for summer and winter. With the heavy duty engine oil, the engine will run as smooth as silk.
